LA LÉGENDE DE CROC-BLANC

L'HISTOIRE
 Croc-Blanc est un film et conteur étonnant. Après avoir grandi dans les montagnes enneigées et hostiles du Grand Nord, il est repêché par Captain O'Neil et son 17^{ème} régiment. Mais le malheur des hommes est de Croc-Blanc à croquer l'air et à se transformer en un être à quatre pattes. Grâce à un couple juste et bon, Croc-Blanc apprendra à maîtriser ses instincts sauvages et devenir leur ami.

L'ÉQUIPE DU FILM
 Dès 2010, Alexandre Espigares débute une carrière internationale dans le monde de l'animation en Afrique avec "L'Éveil du phénix" et "Le monde de la nuit". Il réalise le film "Croc-Blanc" en 2018, coproduit par Wild Bunch et Luxembourg AFCAE. Le film est sorti en salles le 28 mars 2018.
